SUBMISSION OF CORRECTED DRAWINGS

Sir:

This submission is responsive to the requirement for corrected drawings appearing in the Notice of Allowability dated December 27, 2005 in the present application.

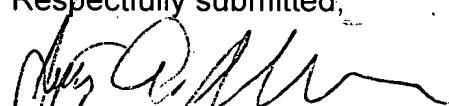

Replacement sheets are being provided for all 18 sheets of drawings filed with this application. These replacement sheets are believed to address all issues that were raised in the requirement. The replacement sheets contain replacement Figures for all 09/836,094

of Figures 1-8G as required. This submission is believed to address all formalities except for payment of the issue fee.

These drawings were originally prepared several years ago by an unknown draftsman in preparation for a PCT filing. Accordingly, should any further corrections be required, the undersigned respectfully requests notification by telephone, since new drawings may have to be prepared from scratch should additional corrections be needed.

No fee is believed to be required for this submission, but any underpayment for this submission can be deducted from deposit account number 501267. Payment of the issue fee will be by separate correspondence, and should not be deducted from this account without further explicit approval.

Respectfully submitted,
